

18th October 2021

Dear Esteemed Graduand,

Re: The Mildmay Institute of Health Sciences' 4th Graduation Ceremony.

Management is glad to inform you that the 4th Mildmay Institute of Health Sciences (MIHS) Graduation Ceremony is scheduled to take place on **26th November 2021**. How grateful we are to God for having sustained you through your academic journey at MIHS.

Due to the COVID-19 pandemic, we will conduct a blended ceremony (virtual and on-campus). As such, only 200 participants will attend as per the Ministry of Health guidelines/restrictions for gatherings.

Graduands who will attend in person will be selected based on academic performance. The rest will be guided on how to follow proceedings via virtual platforms - Zoom, Facebook live stream among others.

Students who have not yet completed the clearing process are encouraged to do so. **The deadline for clearing is 15th November 2021**. A full list of all Graduands who will have cleared by that date will be shared on 17th November 2021 for them to confirm correctness of names and any other details.

For further details and support, please contact the Registrar's office at registrar@mihs.ac.ug or call +256 392 080568, +256 709 080569.

We implore you to continue observing all the COVID-19 Prevention Standard Operating Procedures even as you prepare for this joyous day.

Stay safe.

Yours in service,

Edith Akankwasa

Principal
